A stylized illustration of a large white board, resembling a calendar or project management tool, with a grid of squares. Several people are interacting with the board. Two people are sitting on top of the board; one is using a laptop, and the other is holding a cup. A person is standing on the left, holding a folder and looking at the board with a question mark above their head. A person is standing in the center, reaching up to the board with a yellow ring. A ladder is leaning against the board, and a person is standing on the right, holding a red object. The board itself has various icons like stars, crosses, and lines. The background is a solid light gray.
